# Safer Schools NI App

Safer Schools NI is an app that provides regular safeguarding advice to you as parents relating to the online safety of your children. It has been developed in conjunction with the Department of Education and sends nuggets of information, warnings and useful information direct to your device, assisting you to keep your child safe online.

As part of Safer Schools NI, our school gets access to a customised version of the Safer Schools NI App! First things first – download your Safer Schools NI App by visiting the Apple App Store for iOS devices, or Google Play Store for Android devices. When prompted, parents should use the login code <u>3243.</u> An age appropriate version of the app is also available for Rang 6/7 pupils which they can download to their personal devices. When logging on, Rang 6/7 pupils should use the code <u>0132.</u>

## Obair Bhaile agus Léitheoireacht

Agus muid ag tús bliana nua, ba mhaith linn bhur n-aird, mar thuismitheoirí a dhíriú ar obair bhaile agus ar léitheoireacht na bpáistí. Iarrann muid ar gach teaghlach **ar a laghad** 15 bomaite a chaitheamh ag léamh le do pháiste gach oíche. Bígí airdeallach fosta ar mhúnlú litreacha na bpáistítáimid ag díriú isteach go mór air seo ar scoil agus bheadh do thacaíocht sa bhaile cabhrach ar fad. *At the beginning of this new year, we would like to draw you attention, as parents, to your children's homework and reading practice. We ask that every family spends at least 15 minutes <i>reading with your child daily. Please also pay attention to your child's letter formation when writing- we are concentrating carefully on this in school and your help at home would be most helpful.* 

Bíodh deireadh seachtaine iontach agaibh!
