Traffic issues

It has been noted by ourselves and St Columban's PS that a number of family members are using the front Exit gate to enter the school grounds on occasion when there is congestion on the main Newcastle Rd. Please ensure you use the Entrance gate only when coming in to drop off your child(ren) as if this continues, a collision with a car or worse is inevitable. Please also stick to our 5 m.p.h. speed limit on school grounds to ensure the safety of our whole school community.

Coastal Workshop with KNIB

Beidh daltaí Rang 5-7 ag glacadh páirte i gceardlann faoi dramhaíl cois farraige agus ag déanamh glantachán trá ar an Déardaoin, 8ú Feabhra le Ben Ryan ó KNIB. Beidh siad ag siúl go dtí an trá ag bun bóthar Leestone agus ag caitheamh ama thíos ansin ag tógáil bruscair. Cinntigh le bhur dul go gcaitheann na páistí bróga fóirsteanach agus cóta te agus uisce dhíonach ar an lá.

Rang 5-7 pupils will take part in a coastal workshop about litter at the seaside and will do a beach clean on Thursday, 8th February with Ben Ryan from KNIB. Lá Sábháilteachta Idirlín- Safer Internet Day 06/02/24

Safer Internet Day takes place this Tuesday, 6th February 2024 and we will be focussing in school on how to be safe online.

Every day is an internet safety day and I know you will reinforce the safety messages we give your children in school. **The internet is here to stay – so are the dangers it creates for our children.**

No parent needs to be reminded that the internet can either be a **useful tool** for our young or a **deadly weapon** in the hands of the wrong people.

The internet is **not an entirely safe place** for our children, so we simply ask that you continue to do the great work we know you do when it comes to protecting your children on the internet.

Gaelscoil na mBeann is not immune to the bad intentions of those who abuse the internet and our children are growing up in a different technological landscape than the one we had when we were young.

See how you, as parents and family members can set a safe example online at home by using the resources at the link below:
