## Colour Walk for Autism

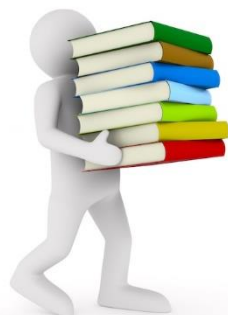

Earlier this year, the pupils of Gaelscoil & Naíscóil na mBeann took part in a colour walk and raised £150. The money raised was donated to local charity ASK. Autism Support Kilkeel (ASK) raises awareness of autism and provides support and life enhancing services for people living with or awaiting Autism diagnosis and their families/carers in Newry & Mourne area. The organisation, based in **Kilkeel**, is a parent **support** group for parents and carers of children with **autism**. and assist members to achieve their maximum potential for social inclusion and access to employment and other facilities.

Thank you and well done everyone!

## Weather

As we are now in May and the weather is improving, please label all uniforms with your child's name. Also on sunny days, please protect your child by applying sunscreen before leaving home and send a hat to school with them if necessary.

## Reading Books

In preparation for the next school year, we will be doing a stock take of reading books. Over the next few days can you all check at home for forgotten reading books and return them to the Gaelscoil as soon as possible.
