Every Child! Every Day!

Hopefully your son or daughter will have told you about our 'Every Child! Every Day!' initiative. This involves an adult hearing your child read aloud each day they are in school. We want to extend this so that it happens at home as well. No matter what your child's age is, listen to them read every school day or if they haven't quite mastered reading yet get them to talk about the pictures in a book or point out some words to them. It doesn't need to be a long time. 5 to 10 minutes is more than enough. The benefits of this happening at home and school will be amazing!
