

Victoria Primary, Ballyhalbert

At this time, we are trying to ensure limited contact within our school community as far as possible.

For this reason, schoolbags should no longer be brought into school. Reading books should be returned to school as soon as possible.

Homework is an opportunity for you to work with your child on work that has already been taught in class. Please keep these sheets at home and mark these with your child.

Sounds in Focus books should remain at home for the foreseeable future. These will form part of learning packs in the event of school closure.

Thank you for all your support given the current situation.
