2. Characteristic spirit and general objectives of the school

St. Philip the Apostle Junior National School is a Catholic co-educational primary school with a Catholic ethos under the patronage of the Archbishop of Dublin.

“Catholic Ethos” in the context of a Catholic primary school means the ethos and characteristic spirit of the Roman Catholic Church, which aims at promoting:

- (a) the full and harmonious development of all aspects of the person of the pupil, including the intellectual, physical, cultural, moral and spiritual aspects; and (b) a living relationship with God and with other people; and
- (c) a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus; and
- (d) the formation of the pupils in the Catholic faith,

and which school provides religious education for the pupils in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of St. Philip the Apostle Junior National School shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

Mission Statement: St. Philip the Apostle J.N.S. seeks to foster a safe, secure, calm and happy atmosphere in which the dignity of every person will be valued, respected and cherished. Our aim is the pursuit of excellence through a well-rounded education that caters for the spiritual, physical,

emotional and intellectual needs of the children. We also endeavour to promote a friendly and constructive relationship between home and school.

The school is co-educational and inclusive. It caters for all classes from Junior Infants to 2nd Class and currently has a number of special needs children among its pupils. The school follows the curricular programmes prescribed by the DES, which may be amended from time to time in accordance with Sections 9 and 30 of the Education Act (1998)

It is the policy of the Board to seek to provide places for all children from St. Philip's Parish whose parents seek a place, also for children from outside the parish whose older siblings are already attending the school. Applications from other children will be considered according to the availability of places. The priority is outlined in this policy.

Equality of access is the key value that determines the enrolment of children in the school. The school respects the diversity of values, beliefs, traditions, languages and ways of life in our society.

3. Admission Statement

St. Philip the Apostle Junior National School will not discriminate in its admission of a student to the school on any of the following:

- (a) the gender ground of the student or the applicant in respect of the student concerned, (b) the civil status ground of the student or the applicant in respect of the student concerned, (c) the family status ground of the student or the applicant in respect of the student concerned, (d) the sexual orientation ground of the student or the applicant in respect of the student concerned, (e) the religion ground of the student or the applicant in respect of the student concerned, (f) the disability ground of the student or the applicant in respect of the student concerned, (g) the ground of race of the student or the applicant in respect of the student concerned, (h) the Traveller community ground of the student or the applicant in respect of the student concerned, or
- (i) the ground that the student or the applicant in respect of the student concerned has special educational needs

As per section 61 (3) of the Education Act 1998, 'civil status ground', 'disability ground', 'discriminate', 'family status ground', 'gender ground', 'ground of race', 'religion ground', 'sexual orientation ground' and 'Traveller community ground' shall be construed in accordance with section 3 of the Equal Status Act 2000.

Saint Philip the Apostle Junior National School will cooperate with the National Council for Special Education in the performance by the Council of its functions under the Education for Persons with Special Educational Needs Act 2004 relating to the provision of education to children with special educational needs, including in particular by the provision and operation of a special class or classes when requested to do so by the Council.

Saint Philip the Apostle Junior National School will comply with any direction served on the patron or the board, as the case may be, under section 37A and any direction served on the board under section 67(4B) of the Education Act.

St. Philip the Apostle Junior National School is a school whose objective is to provide education in an environment which promotes certain religious values and does not discriminate where it refuses to admit as a student a person who is not Catholic and it is proved that the refusal is essential to maintain the ethos of the school.

4. Categories of Special Educational Needs catered for in the school/special class

Applications in relation to Children with Special Educational Needs:

Applications for Enrolment

- Application for entry to the school must be made by way of the school's application form. This is available from the school office and will also be available on the school website for a certain window each school year.
- The board reserves the right to seek, clarify or verify any information contained in the application form. To ensure the authenticity of applicants, the board will ask all new families in the parish, who are not known to the principal or board, to verify place of residence by way of utility bills or other documentation.
- The registration process is initiated on receipt by the school of a completed application form. An offer of a place may be withdrawn if information is false.
- Applications for entry to the Junior Infant Classes should be received in the month of November in the year before entry. Application forms for the Junior Infant classes are made available from the 1st week of school in November prior to the year of entry. **See Admission notice*
- All applications for admission will be processed in line with the Criteria as per this Enrolment Policy.

The date on which the application is made is not a determining factor for placement.

- On completion of the application form, parents are requested to make an appointment to bring their child to meet the principal, and the family is given the opportunity to see the school in operation.

It may be necessary for the Board of Management to operate a cut-off point depending on space available and the DES guidelines on class size and availability of teachers. A waiting list operates for children refused on grounds of space the previous year.

Priority Rating for Pupils of suitable age

While compulsory attendance only applies from the age of 6, the school will continue to enrol pupils who have reached their 4th birthday. As the school operates only one commencement date e.g.

September 1st, children reaching 4 after this date will have to wait until the following September before starting school.

It is the policy of the board that children reaching their 4th birthday in the preceding June, July or August, should be placed on a waiting list until the following year should there be a surplus of applicants. Each application in this age group will be looked at in light of the maturity of the child and availability of places.

The school has a single enrolment date of September 1st for all children except –

a) New residents to the area

New residents to the area can apply at any time, however, places will be allocated on the basis of availability.

Pupils wishing to transfer from local schools are enrolled subject to agreements between local parishes, the school's enrolment policy and the provisions of the DES viz: transfers must take place on the first school day in September or on the first day of the school's opening after the beginning of a new term, unless there is a change of address. Outside of these times the sanction of the Minister of Education may be required.

Applications must be accompanied by a school report indicating the child's educational progress to date and a transfer certificate indicating the child's attendance record for the present school year. These should be less than one month old.

When an application is received from a child attending a local school, and no change of residence is envisaged, such applications will be discussed with the principal of the child's present school.

While the school welcomes applications from children with special educational needs, children living outside St. Philip's Parish are encouraged to attend their local school, if it has a Special Needs Class. This will enable the children to grow and develop in their own community. This is in keeping with the school's policy on children with special educational needs.

The school supports inclusiveness, with particular reference to the enrolment of a child with a disability or special educational needs. Children with special educational needs will be supported in accordance with the level of resources provided to the board by the DES. The board will, within the confines of the resources provided, make all reasonable efforts to provide suitable accommodation, and educational resources, for children with disability or special educational needs.

Notwithstanding the availability of such resources, parents of children who are dissatisfied with the level of educational provision in the school are advised to consider a Special School or Special Class placement. These schools and classes are designed and resourced to specifically cater for the needs of children with special educational needs.

In relation to applications for the enrolment of children with special educational needs, it is open to the Board of Management, to request a copy of the child's medical and/or psychological report or where such a report is not available, to request that the child be assessed immediately.

The purpose of the assessment report is to assist the school in establishing the learning and care needs of the child relevant to his/her disability or special needs and to profile the support service required.

It may be necessary for the Board of Management to decide to defer or refuse enrolment of a particular child, pending the receipt of an assessment report.

In the case where assessment reports have been received, the board will assess how the school could meet the needs specified in the report. These resources may include, for example, access to or the provision of any or a combination of the following: visiting teacher service, resource teacher for special needs, special needs assistant, specialist equipment or furniture, sensory room provision, transport services or other.

The school will meet with the parents of the child to discuss the child's needs and the school's suitability or capability in meeting those needs. If necessary, the school Special Educational Needs Coordinator (SENCO) and/or principal will visit the child at their current preschool/school setting to observe the child and liaise with preschool/ school staff working with the child in order to determine the child's suitability for St. Philip's Junior School. Where other professionals are involved with the child- e.g. psychologist, family social worker etc., a case conference may also be requested.

The board will consider if the school can meet the specific learning and/or care needs of the child in the mainstream school setting within the (i) the context and parameters of Departmental regulations and programmes and (ii) the availability of suitable accommodation, educational resources and staffing resources.

As previously stated, the board acknowledges the right of any parent or guardian to appeal the school's decision to defer or refuse to enrol his/her child under Section 29 of the Education Act, 1998.

5. Admission of Students

This school shall admit each student seeking admission except where –

- a) the school is oversubscribed (please see [section 6](#) below for further details)
- b) a parent of a student, when required by the principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the code of behavior of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student.

St. Philip's J.N.S. is a Catholic denomination school and may refuse to admit as a student a person who is not of Catholic denomination where it is proved that the refusal is essential to maintain the

ethos of the school.

6. Oversubscription

In the event that the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice:

Criteria for Enrolment of Junior Infants

We recommend that children are 4 years of age on or before the 30th of June of a given school year to be eligible to begin Junior Infants.

Children should be toilet trained before starting school and should be able to use the bathroom independently.

Priority will be given to:

- (a) Children of the parish of Mountview and siblings and stepsiblings of children already enrolled in the school and/or children resident in the parish of Mountview (the eldest child will have priority in this ranking)
- (b) Children of staff (the eldest will have priority in this ranking)
- (c) Children residing outside the parish (the eldest child will also have priority).

However, the latter may not apply to pupils who are at present in 5th or 6th classes in the Senior School, are living outside the parish and whose next sibling wishes to enrol. This will be due to a shortage of places if the intake is three classes only. This situation may occur in future years also when the intake is into three classes only.

There is no guarantee of entry for children living outside the Parish whose older siblings began their education in the Senior School.

A cut-off date (in relation to dates of birth) may be necessary where the number of children exceeds the number of spaces available.

Any spaces available thereafter will be offered to children outside the parish. Please

Note: The criteria will be reviewed by the Board of Management annually

In the event that there are two or more students tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the following arrangements will apply:

1. The oldest child will be given the place.
2. Where the children share the same date of birth, the place will be chosen by means of lottery.

7. What will not be considered or taken into account

In accordance with section 62(7) (e) of the Education Act, the school will not consider or take into account any of the following in deciding on applications for admission or when placing a student on a waiting list for admission to the school:

Points (a) to (g) must be included here by all schools. There are limited exceptions to some of these (highlighted in red below) and schools must retain the exceptions that apply to them and delete those that do not:

- (a) a student's prior attendance at a pre-school or pre-school service, including naíonraí,
- (b) the payment of fees or contributions (howsoever described) to the school; (c) a student's academic ability, skills or aptitude;
- (d) the occupation, financial status, academic ability, skills or aptitude of a student's parents;
- (e) a requirement that a student, or his or her parents, attend an interview, open day or other meeting as a condition of admission;
- (f) a student's connection to the school by virtue of a member of his or her family attending or having previously attended the school; other than, 1) siblings of a student attending or having attended the school (see enrolment criteria above)
- (g) the date and time on which an application for admission was received by the school,

This is subject to the application being received at any time during the period specified for receiving applications set out in the annual admission notice of the school for the school year concerned.

8. Decisions on applications

All decisions on applications for admission to St. Philips's J.N.S. will be based on the following: •

Our school's admission policy

- The school's annual admission notice (where applicable)
- The information provided by the applicant in the school's official application form received during the period specified in our annual admission notice for receiving applications

(Please see [section 14](#) below in relation to applications received outside of the admissions period and [section 15](#) below in relation to applications for places in years other than the intake group.)

Selection criteria that are not included in our school admission policy will not be used to make a decision on an application for a place in our school.

9. Notifying applicants of decisions

If a student is not offered a place in our school, the reasons why they were not offered a place will be communicated in writing to the applicant, including, where applicable, details of the student's ranking against the selection criteria and details of the student's place on the waiting list for the school year concerned.

Applicants will be informed of the right to seek a review/right of appeal of the school's decision (see [section 18](#) below for further details).

10. Acceptance of an offer of a place by an applicant

In accepting an offer of admission from St. Philip's J.N.S., you must indicate—

- (i) whether or not you have accepted an offer of admission for another school or schools. If you have accepted such an offer, you must also provide details of the offer or offers concerned and

(iii) the date on which an offer of admission was accepted by an applicant;

a student's personal details including his or her name, address, date of birth and personal public service number (within the meaning of section 262 of the Social Welfare Consolidation Act 2005).

13. Waiting list in the event of oversubscription

In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to St. Philip's J.N.S. were unsuccessful due to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list of St. Philip's J.N.S. is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy.

Applicants whose applications are received after the closing date, outlined in the Annual Admission Notice, will be placed at the end of the waiting list in order of the date of receipt of the application.

Appendix A: ASD Class Admission

1. Introduction:

This policy applies to all applicants to the Junior ASD class in St Philip the ApostleJNS. This policy is subject to review on an annual basis. St Philip the Apostle JNSoperates an inclusive policy with regard to enrolment.

St Philip the Apostle JNS has one Junior Autistic Spectrum Disorder (ASD) class for pupils with a diagnosis of autism. This class currently caters for children at junior primary level and all children who joined the class from preschool are currently at Senior Infant Level in the age range of 5-7

The children must meet the enrolment criteria stated in 2(a) below. The Junior ASD Class will have an allocation of one teacher and two SNAs. There are a total of six pupils in each class. The Special Needs Assistants are assigned to the class and not to individual children. Should a place become available in the ASD class in 2022/2023 the age range to be considered for enrolment is between 5 - 7 years of age (Senior Infant level in this school year). We would recommend that all applicants will have completed 2 years of preschool, and Junior Infants.

The ASD class will operate in parallel with the mainstream classes from junior infants to 2nd class. Once children complete 2nd class, they must transfer to another appropriate education system, in line with mainstream classes.

This policy is set out in accordance with the provision of the Education Act 1998, the Education Welfare Act 2000, the Equal Status Act 2000 and the Disability Act 2002 and the Schools Admission Act 2018. The board of management and the in-school management team trusts that by doing so, parents will be assisted in relation to enrolment. The principal and the chairperson of the board of management will be happy to clarify any further matters arising from this policy.

The Board of Management will communicate arrangements regarding enrolments via the school website.

2(a) Criteria for Enrolment to our ASD Class:

- A recent psychological assessment or a report from a member of a multi-disciplinary team should be provided whereby the assessment or report is approved by the Department of Education & Skills.
- Each child must have a primary diagnosis of Autism/Autistic Spectrum disorder without

significant intellectual impairment using the DSM V or ICD 10 by the psychologist or a member of the multi-disciplinary team.

- A recommendation for a placement in an ASD Class for the child must also be clearly stated in the child's psychological assessment or multi-disciplinary report by the same professionals.
- If the child also presents with a general learning disability, this should fall within the Mild range.

*In addition it is the duty of parents to ensure that with the Application Form the School Secretary has **all** of the following:*

- *An original Birth Certificate (together with a photocopy)*
- *Proof of address (these must be dated within two months of application)- e.g. Household Bill*

NOTE:

In the event of a child with ASD/Autism being placed in St Philip the Apostle JNS mainstream, who does not cope despite resources in place, the board of management reserves the right to review each case and offer a place to this child, if an opening arises, in the ASD Class as a priority under the following circumstances:

- The child's placement in the mainstream is deemed unsuitable on the grounds of Health and Safety and provision of education to other children.
- The child meets the clinical criteria as set out in 2(a).

The individual needs of each pupil are constantly reviewed to ensure that an ASD class is the appropriate setting to meet the pupil's needs. The school reserves the right to review each pupil's progress on a termly basis to determine whether the ASD class continues to be an appropriate placement for him/her, and to discharge the pupil from his/her ASD class if the placement is not in the best interests of the pupil and/or the other pupils in the class.

Offers of a place:

The school will endeavour to place all applicants that comply with the criteria above. The submission of an application alone does not guarantee a place in the school. Decisions in relation to applications for enrolment are made by the board of management in accordance with the enrolment policy.

In the event that the number of children that apply for a place is greater than the number of places the following categories shall be used as a basis for prioritising children

2(b) Guiding Criteria in the event of oversubscription

Every effort will be made to enrol all applicants in our ASD class. In the event that the number of applicants seeking enrolment in our ASD class exceeds the number of places available, places will be allocated in sequential order according to the following priority categories to those applications that are received within the timeframe for receipt of applications as set out in our school's Annual Admission Notice

Priority Category 1:

- Current students of the school/students who have been offered a place in the mainstream school for the coming September who meet the clinical criteria as set out in 2(a) irrespective of age.

Priority Category 2:

- Children living within the Catchment Area (The estates of Fortlawn, Whitechapel, Woodvale, Inglewood, Lohunda, Castlefield, Charnwood, Blakestown cottages, Rosevale Court, Limelawn, Aspen Wood, Sorrel Park and Hillbrook Woods) who meet age criteria as detailed in Admissions Notice (to correspond with current enrollees)

Priority Category 3:

- Applicant students who are siblings (including step-siblings resident at the same address) of children, enrolled in the Junior or Senior School at the same time who meet the age criteria as detailed in Admissions Notice (to correspond with current enrollees)

Priority Category 4:

Children living outside the Catchment Area who meet age criteria as detailed in Admission's Notice (to correspond with current enrollees)

Priority Category 5:

- Revisit categories 1 – 5, prioritising children closest in age to the age criteria detailed in Admission's Notice

In the event that 2 or more pupils tie for a place or places in any of the priority categories above (the number of applicants exceeds the number of remaining places), a place or places will be allocated according to chronological age, i.e. older children in each category will have precedence over younger children/the eldest child will have priority in this ranking. If this process fails to offer a solution, applicant names will be drawn by lot by a person independent of the school.

3. Late Applications

An application received by St Philip the Apostle JNS, after the closing date published by the school, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where St. Philip the Apostle JNS is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school and subsequently the school's selection criteria will be applied in accordance with this Admission Policy.

Where St. Philip the Apostle JNS is not oversubscribed and it receives a late application, the child seeking admission will receive an offer of a place within the school and the same process as applies

to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school by the date set out in the School Admissions Notice.

Second/third-round offers of a place

Where a child is in receipt of an offer of a place within St. Philip the Apostle JNS but does not accept the offer, or fails to accept within the specified time period, or the school withdraws the offer in line with the relevant provisions of this policy, the place will be offered to the next child on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the school have been filled.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the School Admission Notice, or within 1 week of issuing by the school if it is a late application or if it is a second/third- round offer, may result in withdrawal of an offer.

Should the number of applications exceed the number of places assigned in the class, the school will operate a waiting list system until the end of the Spring Term of the following school year.

Appeals Process:

All unsuccessful applicants have a right of appeal under Section 29 of the Education Act of 1998.
