## Dúlra

### An Sceach Geal- The Hawthorn

Is crann speisialta an sceach gheal. Bíonna síogaí ina gconai ann agus níl cead agat é a scriosadh. Bhí nós ag draoiithe fadó dul in aired ar thalamh ard le craobh sceach gheal ina laimh chun mallacht a chur ar dhaoine- " he cursed him from a height".

The fairies live in the hawthorn tree and you cannot damage it or the fairies will put a curse on you and you'll never win the Lotto .Ireland is full of fairy forts and in Clare they delayed the building of a motorway because there was a fairy fort in the way. They had to build a roundabout around the fort but they forgot to put in a flyover for the fairies!
