

June Newsletter

Dear parents,

It is hard to believe that this is my last nursery newsletter of the school year...and what a year it has been!

Can I firstly take the opportunity to thank you all for your patience and cooperation as we have navigated all the hurdles posed by COVID. We are immensely proud of the children and all they have achieved and we are confident that we are sending them on to Primary School with an enthusiasm for learning that will stay with them throughout their education.

Reports:

By now you should have received your child's transition report. We are happy to discuss any aspect of this with you.

A copy of this report will be forwarded on to your child's Primary School.

All Primary Schools have been invited into school to meet the children moving on to them and we will let you know if your child's class teacher is visiting.

Mile a Day Challenge:

Thank you to everyone who supported this fundraiser. We are delighted to be sending £1000 to Children's Heartbeat Trust NI.

The charitable support we have received this year has been outstanding and our little Nursery school has raised more than £2500 for local charities this year! **A massive achievement!**

End of Year Garden Parties:

FULLTIME CLASS: Monday 28th June. Children come to school as normal. Parents can join us in the outdoor space at 11am for tea/coffee and treats before we present their end of year prizes. School will finish at 12pm and this will be the last day of school for this class. No school dinner will be served on this day and children can leave with their parents.

PART TIME CLASSES: Tuesday 29th June. (Please note there is no school for these children on Monday 28th June). Children come to school at normal times. Parents will join us in the outdoor space for the last hour of their session (10.30am for the AM session and 2pm for the PM session) for tea/coffee and treats before we present their end of year prizes. This will be the last day of school for children in the Part Time classes.

School Uniforms:

We would be grateful for the donation of any school jumpers that you have finished with. We were able to raise some money for school funds last year by selling jumpers and it is also useful to have some spares in school.

REMINDER: there is in school for children on **Friday 18th June** to allow for induction of new pupils.

Finally.....

As a school, we are always striving to reflect on and improve the experiences and learning we offer to our children. I would really appreciate it if you would take the opportunity to complete a very short anonymous survey by clicking the link below. This feedback is vitally important to us as we seek to meet the changing needs of parents and families. If your experience with us has been a positive one, please tell us; if there is an area we can improve on please let us know, we may be completely unaware of something that we can easily change. Thank you in anticipation.

Please click here - [School Survey](#)

Can I wish you all a safe and pleasant summer with your families and we wish all of our children well in their new school.

Warmest regards,
Lisa Phair
