

June Newsletter

Dear parents,

It is hard to believe that this is my last nursery newsletter of the school year...and what a year it has been!

Can I firstly take the opportunity to thank you all for your patience and cooperation as we have navigated all the hurdles posed by COVID. We are immensely proud of the children and all they have achieved and we are confident that we are sending them on with an enthusiasm for learning that will stay with them throughout their education.

Mile a Day Challenge:

Thank you to everyone who supported this fundraiser. We are delighted to be sending £1000 to Children's Heartbeat Trust NI.

The charitable support we have received this year has been outstanding and our little Nursery school has raised more than £2500 for local charities this year! **A massive achievement!**

End of Year Garden Party:

PART TIME CLASSES: Tuesday 29th June (Please note there is no school for these children on Mon 28th June). Children come to school as normal. Parents will join us in the outdoor space for the last hour of their session (2pm for PM session) for tea/coffee and treats before we present their end of year prizes. This will be the last day of school for these children.

Induction Friday 18th June:

For those children who are returning to us in September to join the fulltime class, you will have received an email inviting parents to join a Zoom on Tuesday evening. The letter also contained details about visiting school on Friday 18th. However, as these children are already familiar with school I do not feel it is necessary for them to attend this. I will arrange for the children to come across and spend an afternoon in my room with myself and the classroom assistant. If any parent would like to have a chat with me regarding their child please speak to me at any time.

Can I wish you all a safe and pleasant summer with your families.

Warmest regards,

Lisa Phair
