'LEARNING AND GROWING TOGETHER'

10 January 2023

Dear Parent

As part of our programme to celebrate diversity, we will be having a Canadian day in school on Friday, 20 January 2023.

As part of this day your child will be learning about Canadian culture, language, food, art, etc.

This will be a non uniform day and we would encourage children to dress in the colours of the Canadian flag (red and white).

Of course, children are very welcome to develop this further by wearing a costume based on a Canadian theme, dressing up as a famous Canadian person or having a simple face painting of the Canadian flag.

Your support is greatly appreciated.

Regards

---
