'LEARNING AND GROWING TOGETHER'

12 May 2023

Dear Parent

You will be aware that the photographer was in school this week and took individual photos and sibling photos and also class photos for Nursery, Year 1 and Year 7.

With regard to sibling and individual photos, your child has been given a leaflet which gives information on how to order and pay for photographs online using your child's individual ID number. They have also received a slip of paper containing a QR code and ID number which enables you to view your child's photograph online.

With regard to class photos, a proof card and information on how to order will be sent home over the next few days.

The photography company have assured us that all orders will be ready before the end of term.

Kind regards.
