'LEARNING AND GROWING TOGETHER'

12 September 2023

Dear Parent

SAFEGUARDING/CHILD PROTECTION TRAINING

A big thank you to all those parents who attended the Safeguarding/Child Protection Training on Thursday, 31 August. The mop up training for any parents who missed the training will take place on Thursday, 28 September at 7.00 pm. The training will last for approximately 30 minutes.

INDUCTION & CURRICULUM EVENINGS

The Year 1 and Nursery Induction evenings will take place on Thursday, 14 September at 7.00 and 7.30 pm respectively.

The Year 2-7 Curriculum evenings will take place on Thursday, 21 September at the following times:

7.00 pm	Years 4 & 5
7.30 pm	Years 2 & 3
8.00 pm	Years 6 & 7

The Induction and Curriculum evenings will take place initially in the Assembly Hall when I will present our foci for development for the next three years.

As part of this presentation, I may touch on some of our key school policies, **eg Child Protection, however, this would not be in the detail required if you would like to be a parent helper.**

Following the presentation in the Assembly Hall you will proceed to your child's classroom with your child's teacher who will provide an overview of the curriculum for this year and details regarding homework.

I would really encourage you to attend these evenings.

RSE

My apologies, I understood that the DENI consultation of RSE related to primary and post primary, however, it only relates to post primary. The consultation will run for 12 weeks from 1 September to 24 November 2023 and can be accessed at www.education-ni.gov.uk/consultations/relationships-and-sexuality-education-rse-consultation

As previously stated, we will review RSE in November. Prior to the implementation of any changes regarding this policy we will inform parents.

Kind regards.
