'LEARNING AND GROWING TOGETHER'

2 October 2024

Dear Parent

Please see attached a fundraising opportunity that one of our classroom assistants, Hollie Leckie, discovered and applied for. To be honest, we never really expected to be successful in our application as we are rarely seen as a disadvantaged school or in a disadvantaged area.

Whilst this is short notice we felt that it was a wonderful opportunity. Hollie is championing this for us and I would really encourage you to get behind her and us as a school. Further details of how you can support us or get involved will follow.

Yours faithfully,

J LOUGHINS
Principal

'LEARNING AND GROWING TOGETHER'

2 October 2024

Dear Parent

I am writing to confirm that Whitehead Primary School are participating in the Cash for Kids Schools Challenge. We will be fundraising as much as possible from 8am on Monday, 30 September until 4pm on Friday, 25 October 2024. The top three fundraising groups have the chance to secure additional top-up amounts as they compete against other schools. All organisations taking part will receive 100% of the funds they raise back. These funds will be used to support disadvantaged children across Northern Ireland. We would be grateful if you could support Whitehead Primary School in their fundraising endeavours where possible and we are available should you have any questions.

We are planning a couple of great fundraising events which will include a coffee morning and bun sale, Halloween school disco and a fabulous raffle so keep your eyes peeled for these.

We need your help! Could your family or business organise a raffle for you staff or customers? Could you run a car boot sale or set a challenge for a hike? If there is anything else you can think of to help support this challenge we would love to hear from you!

Monetary donations are also welcome!

We would really appreciate if you could share this far and wide as the more support we have the more money we can raise.

Please don't hesitate to get in touch with us if you have some amazing ideas which could help us in any way over the next four weeks.

Kind regards,

Hollie
