Re: Health and Safety at drop off and collection times

Dear Parents /Guardians,

One of our pupils now requires the use of a wheelchair which he will be using from tomorrow. His mother needs to park her car in one of the disabled car parking areas in the church car park at drop off and collection times.

We kindly request that people do not park in the designated disabled car parking spots without a disability permit. Please do not park on any of the yellow lines near these car parking areas or on any double yellow lines. Doing so can restrict access for those requiring disabled parking and it is dangerous for all our pupils.

The health and safety of all our school community is of paramount importance to us. Please be extra vigilant and careful when parking your car and entering / exiting the church car park by car at school arrival and dismissal times.

Thank you for your co-operation and support,
Sinéad Trimble

Principal

On behalf of the Board of Management
