Hello to all the nursery boys and girls!

I'm loving the photos that your mum or dad is sending me to our computer classroom! I am getting out for a walk everyday and loving the fresh air. I'm going to send some more ideas to keep you busy at home. Keep using your listening ears and help around the house as much as you can. It's nearly time for the Easter Bunny!

Dear Parents,

Thank you for taking the time to link into google classroom. I will continue to post up ideas for the children on this site. I also ask you to post comments and photos onto the stream. All comments and photos should be nursery based and not shared with those outside our nursery group. Let's keep the children, listening , observing, talking, writing, cutting and moving and we won't go far wrong.

Keep Safe!
