Dear Parents / Guardian(s)

Dear Parents,

We are now reporting a positive case within the Primary 3 classroom. Please follow the Alert letter attached and be attentive of any symptoms. As a school we continue to follow the PHA guidance. The PHA guidance currently states that the children in the class are not deemed as close contacts but your discretion is very important at this stage.

With the change to contact tracing of positive cases within a school setting the PHA have developed 'Questions and Answers' to help address any concerns parents may have around these changes. Please see link below:

<https://www.publichealth.hscni.net/covid-19-coronavirus/information-schools-colleges-universities-and-parents/contact-tracing-0>

If you require any further clarification, I am contactable on gbrogan930@c2kni.net but P3 will attend school as normal on Monday.

Kind Regards

Mr. Brogan
Principal
