17th December 2021

Dear Parent(s)/Guardian,

Given the rapidly changing health situation and what is occurring in neighbouring schools, the Board of Governors of St. Theresa's PS has taken the decision to begin the Christmas holidays today 17th December.

We appreciate while this is short notice, I'm sure it is not a complete surprise as the main aim is to protect everyone over the coming week and allow the Glebe community to have the best possible Christmas with their families.

Please be assured we are not closing because of positive Covid cases but because we have been able to reschedule our school calendar to accommodate the three days next week ensuring that no face to face teaching and learning time will be lost. Therefore, there will be no need to move to remote learning.

Further clarification of the rescheduling of dates will be issued in the New Year. Originally the children were to return on Thursday 6th January 2022. However, our plan now is for the children to return on **Wednesday 5th January**, with Tuesday 4th January being a Staff Development Day.

Once again sorry for any inconvenience this may cause and can I take this opportunity to wish everyone connected to St. Theresa's PS a happy and safe Christmas.

Regards,

Gabriel Brogan
Principal
