15/03/22

Dear Parents / Guardian(s)

Given how we are moving forward as a school, children are attending sporting blitzes, recently we had our whole school pupil wellbeing trip to the cinema, P7 children are attending swimming lessons and we are looking forward to Gloria Perry's Intergenerational Project again in St Theresa's. These are only a few of the many things to look forward to in St Theresa's in the weeks and months ahead.

Therefore, St Theresa's Board of Governors and Senior Management Team have been reviewing our Covid Policy and the following changes will be made but monitored with caution:

- If your child tests positive on a Lateral Flow Test or a PCR, they must isolate immediately. You can carry out a Lateral Flow Test again on Day 5 and if negative, test again on Day 6, if both tests are negative your child can leave isolation provided they have not had a temperature in the previous 48 hours. Two consecutive negative Lateral Flow Tests are required to return to school, taken no earlier than day 5 and day 6. **Parents must contact the school before their child returns.**
- If a member of your household is positive, we do understand and are appreciative of parents who wish to keep their child at home to protect staff and pupils. This is something we very much encourage. Otherwise, close contacts in the household are expected to test for 10 days before arriving in St Theresa's each morning. **Please notify the school** if a member of the household tests positive to discuss further the next steps.

Obviously, the measures we are implementing in school will continue – hand washing and sanitising, continuing our bubble system, staff and visitors wearing masks, staggered arrival and leaving times etc.

We thank you in advance and appreciate your continued support ahead in the weeks ahead.

For any further queries, please contact the school.

Kind Regards

Mr. Brogan
Principal
