

Conversation starters

Safer Internet Day 2022 is a fantastic opportunity to have a conversation with your child about life online, and especially this year's theme, **'All fun and games? Exploring respect and relationships online.'**

Use the questions below to help start discussions about how we can all use the internet safely, respectfully, responsibly, and positively when gaming and spending time online.

Talk about relationships and communicating online:

- Ⓢ What is good about communicating online?
- Ⓢ What can be challenging about communicating online?
- Ⓢ What is different about talking to someone online compared to talking face to face?
- Ⓢ How much can you trust people you only know online?
- Ⓢ What do you and your friends do to keep yourselves safe and happy, when you are chatting and communicating online?
