

Victoria Nursery School

Complaints Procedure

INTRODUCTION

Here at Victoria Nursery School, we take complaints very seriously. We have the best interests of all our pupils and their families at the centre of all we do. In this regard, we encourage anyone with a concern to speak to us as soon as possible. If concerns are dealt with at an early stage, then they are more likely to be resolved and there is no unnecessary dissatisfaction.

School Context

Opened in 1969, Victoria Nursery is a purpose-built nursery, traditionally catering for the needs of pre-school children in the local area and beyond. We have a strong focus on meeting the individual needs of the child to promote learning and independence. We develop respectful relationships with the children and, through skilful interactions and observations of their behaviour, plan activities accordingly to maximise children's involvement in their play and build on their learning.

Ethos

At Victoria Nursery School we promote the development of happy, secure, confident children who are motivated to be independent in their learning. We believe that the purpose of nursery education is to provide effective and active learning experiences which equip children with the skills, knowledge and understanding for lifelong learning. We nurture the children to have a respect for themselves, others and the world around them within the caring and supporting ethos which permeates our School. We promote strong partnerships with parents to support children in realising their full potential.

Motto

“Growing and Learning Together”

Vision

We will provide a safe, happy, inclusive, nurturing and stimulating environment in which we aim to meet the unique needs of each child. We will collaborate with families to support children's growth and development from the moment they enter school to enable them to reach their full potential as they develop to become happy, secure, confident children.

Mission

We aim to: -

1. Provide pupils with a variety of high-quality experiences as we assist them to become confident and independent learners.
2. Encourage pupils to develop positive attitudes to their learning both now and in the future.
3. Continue to develop our highly skilled staff team to meet the needs of all pupils.
4. Work in partnership and collaborate with parents to develop their children's personal, social and emotional skills.

5. To strengthen our partnerships and community links to ensure that families are supported and that pupils are provided with the best opportunities as they commence their educational journey.

At Victoria Nursery School, we take complaints seriously. We have the best interests of all our pupils and their families at the centre of all we do. We encourage anyone with a worry or concern to speak to us as soon as possible. If issues are dealt with at an early stage, then they are more likely to be resolved leaving no unnecessary dissatisfaction.

Many issues can be addressed simply by talking to the relevant staff in school who will be happy to help. Open communication and regular engagement between the school staff and the wide range of users is vital to the effective management of the school and is vital to nurturing positive relationships within our whole school community.

We welcome communication with our staff. Parents / carers can do this by contacting staff in person each day or by telephone on 02890744247 or via email at info@victorians.belfast.ni.sch.uk

We take all issues seriously and make every effort to resolve matters as quickly as possible.
