1.15-1.30	Geography North America Just Maps pg 26 and 27 For A use your Atlas to help you identify the countries.	Science 2wk project. <u>If you have Netflix I recommend our planet jungles. If you don't you can watch the full episodes on youtube. Really worth a watch.</u> <u>I have included videos on seesaw to support your projects and learning.</u> Small world unit 12 Please read the chapter and answer the questions on pg 74 in your sese copy Please choose one of the following projects to complete. I would like you to either create a small booklet about the rainforest (To include its different layers and animals that live in each layer), the importance of the rainforest to the planet, the people that live there and all the products we get from the rainforest. Your booklet should show your learning about deforestation and what can be done about it. please include colourful drawings, pictures and facts. I would like a video of you explaining your work. or Design and create a rainforest with animals from a shoe box or cardboard. There should be different animals on different layers depending on where they live. E.g in the canopy. I would like you to video yourself explaining your 3d rainforest and pointing out all the features you have included. I look forward to seeing your creations.			
1.30-1.45	Upload work to seesaw
