The **Big** Summer **Read**

Calling all young time travellers!

This summer, Libraries NI invites children aged 4-11 to join The Big Summer Read - a FREE reading adventure running from Friday 27 June to the end of August.

What's it all about?

Children will journey through time, from the prehistoric past to futuristic worlds, enchanted kingdoms to real-life history - all through the magic of books. The goal? Read for at least 15 minutes a day and complete as many of the 66 reading adventures as you can!

How to get started

- Pop into your local library from Friday 27 June to pick up your adventure poster
- Complete the reading adventures in any order you like
- Make four library visits across the summer
- Collect your completion certificate at the end!

And grown-ups...

You can join in too! Be a reading role model - just 15 minutes of reading a day shows children that reading matters at every age.

Find your nearest library at librariesni.org.uk

Why take part?

- Keep your reading skills over the summer
- Discover exciting books and fun activities
- Enjoy FREE events and workshops in libraries
