## Spaceship to the Moon

(Tune: John Brown's tractor)

... has a spaceship that will take us to the moon,  
... has a spaceship that will take us to the moon,  
... has a spaceship that will take us to the moon,  
So climb in, press the switch and zoom.  
We can walk around in moon boots,  
We can walk around in moon boots,  
We can walk around in moon boots,  
We're walking on the moon.

... has a spaceship that will take us to the moon, (x3)  
So climb in, press the switch and zoom.  
We can ride off in our buggy,  
We can ride off in our buggy,  
We can ride off in our buggy,  
We're riding on the moon.

... has a spaceship that will take us to the moon, (x3)  
So climb in, press the switch and zoom.  
We can jump around in craters,  
We can jump around in craters,  
We can jump around in craters,  
We're jumping on the moon.

## The Moon

I see the moon,  
And the moon sees me.  
God bless the moon,  
And God bless me.

## I am a Rocket

I am a rocket, crouched on the ground  
Waiting quietly, without a sound  
Light this fuse on my little toe  
Ready for take-off, Here I go  
Whoosh!

## Five Little Men in a Flying Saucer

Five little men in a flying saucer,  
Flew round the world one day.  
They looked left and right  
But they didn't like the sight  
So one man flew away.

Four little men in a flying saucer...  
Three little men in a flying saucer...  
Two little men in a flying saucer...  
One little man in a flying saucer...

## Mr Moon

Mr Moon, Mr Moon,  
You're out too soon,  
The sun's still shining in the sky.  
Go back to bed and cover your  
head,  
And wait until the sun goes down.

## The Man in the Moon

The man in the moon,  
Looked out of the moon,  
Looked out of the moon and said:  
It's time for all children on the Earth,  
To think about getting to bed!

### Twinkle, Twinkle

Twinkle, twinkle little star  
How I wonder what you are  
Up above the stars so high  
Like a diamond in the sky.  
Twinkle twinkle little star  
How I wonder what you are.

### Are You Sleeping

(Tune: "Frere Jacques")

Are you sleeping, are you sleeping?  
Brother John, Brother John?  
Morning bells are ringing, morning  
bells are ringing,  
Ding ding dong, ding ding dong.

### We're Flying

(Sung to: "The Farmer in the Dell")

We're flying to the moon  
We're flying to the moon.  
Blast off, away we go  
We're flying to the moon.

*Other verses:*

We're going in a spacecraft  
We're walking out in space  
We're landing on the moon  
We're collecting moon rocks  
We're flying back to Earth  
We're landing on the Earth

### Five Little Spacemen

Five little spacemen sitting on the stars,  
The first one said "Let's fly away to  
Mars."

the air."  
And third one said "Well I don't care."  
The fourth one said "Let's fly so high,"  
The fifth one said "Right up to the sky."  
Then swish went the rocket,  
Out went the light,  
And five little spacemen flew out of sight.

### Little Owl

(Tune: This Old Man)

Little Owl, in the tree,  
He is winking down at me.  
With a wink, wink, wink, wink,  
All through the night,  
Little Owl is quite a site!

Little Owl, in the tree,  
He is hooting down at me.  
With a hoot, hoot, hoot, hoot,  
All through the night,  
Little Owl is quite a site!

Here comes the countdown,  
Let's count with all our might.

### What is the weather today?

What is the weather today?  
What is the weather today?  
It's windy and wet, it's windy and wet  
That is the weather today  
Can we go out to play, can we go out  
to play?  
It's windy and wet, it's windy and wet  
So, we can't go out to play

### A Wise Old Owl

A wise old owl sat in an oak,  
The more he heard, the less he spoke;  
The less he spoke, the more he heard;  
Why aren't we all like that wise old  
bird?
