

Week Beginning:
29th September
2025

Home Learning Ideas

Personal, Social + Emotional

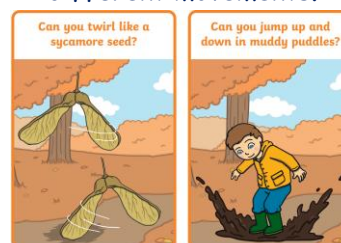

*One of our favourite stories to read at this time of the year is The Owl Babies. Click on the link to listen to this story with your child, talk about your family and how they always come back to look after your child- something that is a big worry for children during this time of Settling In to school

<https://youtu.be/TPQRiSTYFH0?si=5vY-xoBO30IPQR9I>

Physical Development

*While you are out on your Autumn Walk use the Autumn Movement cards attached to copy the different movements.

Language Development

*There is lots of new language to learn in Autumn; when out on your Autumn walk talk about the colours that you can see, what can you hear, how do the leaves feel. Use language such as crunchy, rustle, hard, soft, golden, change

Mathematical Experiences

*During Autumn the leaves change colour; why not create a colour sorting activity with the items you collect on your Autumn walk- put all the red together, the yellow together etc. You could sort the rest of your items too; sort by type so put all the conkers; the leaves, the acorns together.

The Arts

*Why not create an Autumn leaf man with the leaves you collect on your scavenger hunt. Follow the instructions attached.

The World Around Us

AUTUMN is here. In school we are learning all about Autumn. Why not take your child out on an Autumn Scavenger hunt looking for some of the items on the list. (see Autumn Scavenger list attached)
