

Catholic Schools Week 2025

Catholic Schools: Alive in Christ

19–25 January 2025

Catholic Schools: Alive in Christ

Friday 24th January 2025

****Life to the Full for the Common Good of All***

In Nursery we talk to the children about the importance of looking after the world and keeping it clean and healthy.

Here are some Home Learning ideas:

Taking Care of the Environment

Home Learning Challenges

Help at home this week by recycling your rubbish. Can you help to sort the rubbish into the recycling bins? Try counting how many of each type of recycling you have. How many plastic bottles have you recycled?

Can you make a litterbug character from your old rubbish? Maybe you could use a plastic milk bottle for a body, cardboard tubes for arms and legs, and bottle tops for eyes! Use sticky tape or glue to join them together.

Can you make a bee hotel for your garden? Ask a grown-up to cut the top off a plastic bottle and fill it with flowers and twigs. Pop it in a sunny, dry place and see if any bees come to stay!

Go for a nature walk with your family. Can you spot any plants, flowers and trees? See if you can find any insects, animals or birds. You could draw a picture of all the wonderful things you see.
