Life to the Full in our Faith Community

*Talk to your child about how God loves us. He made each of us special and unique. We thank God every day when we say our prayers.

Encourage your child to say their prayers at home:

Our Nursery Prayers

Morning Prayer

Dear God,

Help all the people

Who are sick, or worried,

Or in trouble.

Thank you God for me.

Amen

God made the Earth and God made the sky,

God made the fish, and the birds that fly.

Animals, flowers, trees so tall,

God made everything, big and small.

God made all that I can see,

God made you, and God made me.
