

Week Beginning:

7<sup>th</sup> April 2025

## Home Learning Ideas

### Personal, Social + Emotional

\* We will be having our Easter Bonnet Parade next week to do our Daily Mile. At home create your Bonnet together with some Easter decorations or with some of your favourite things.

### Physical Development

Follow the instructions to do some Easter themed movements

### Language Development

\* After watching our caterpillars grow we have been reading the story of 'The Very Hungry Caterpillar'. Why not use the Wort Mat and watch along the story by clicking this link.

### Mathematical Experiences

\*EASTER MATCHING GAME.  
MATCH EASTER PICTURES TO COMPLETE THE GAME BY CLICKING ON THIS LINK

[www.happy-easter.net/online-games/easter-matching-pairs.html](http://www.happy-easter.net/online-games/easter-matching-pairs.html)

THERE ARE ALSO OTHER EASTER GAMES TO COMPLETE

### The Arts

\*Easter is very close, here are some crafts that you can do at home with some recyclable items that you might find around the house.

### The World Around Us

\*\* We are learning all about the Life Cycle of a Butterfly.  
There are four main stages: egg, caterpillar, cocoon, and butterfly. Look at the Life Cycle Poster and discuss each stage with your child. Together you could draw a picture of each stage.
