Easter

Home Learning Challenges

People often celebrate Easter by eating hot cross buns, chocolate and cakes. Enjoy making some sweet treats to share with your family and friends. We would love to see a photo or picture of any treats you make.

Go on an Easter egg hunt and see how many eggs you can find. How many eggs can you count? Can you show an adult how many you have found using your fingers?

At Easter time lots of flowers start growing in the ground and on trees. Go for a walk around a park or garden and see what flowers and plants you can see growing.

Draw or paint an Easter picture - you could draw some Easter eggs, flowers, chicks or even the Easter bunny!
