

Week Beginning:
9th October 2023

Home Learning Ideas

Personal, Social + Emotional

*As the weather is starting to change we will soon be putting our coats on for outside play. Why not start practicing with your child, helping them to put on and take off their own coat. This will help them become more independent and develop their confidence.

Physical Development

*For some physical exercise this week why not get your child to help you rake or brush up the leaves outside your home. We have been singing all about the 'Autumn Leaves are Falling Down' and I am sure they would love to be a helper at home to sweep them all up just like in the song!

Language Development

*we have been listening to one of our favourite stories after lots of children told us they went on their Autumn walk to The Gruffalo Trail. Click on the link to play the story

[The Gruffalo by Julia Donaldson. Children's read-aloud \(audiobook\) with colour illustrations. - YouTube](#)

Mathematical Experiences

* Play the Autumn 'Odd One Out' Game and see if you can find which one does not fit

[Odd One Out - Autumn Free Games | Activities | Puzzles | Online for kids | Preschool | Kindergarten | by Ellen Weber \(tinytap.com\)](#)

The Arts

* **Leaf Rubbings**-Make leaf rubbings by using crayons to colour over leaves placed under drawing paper. Remember to put the leaves vein-side-up for best results. Unwrap the paper and use the side of the crayon for best results.

The World Around Us

We have been learning all about Woodland Animals in Autumn time. You could make your own Hedgehog Biscuits at home. Follow the recipe card attached.
