

Week Beginning:

13th May 2024

Home Learning Ideas

Personal, Social + Emotional

- Sometimes we can get a little overwhelmed or upset and that is OK. In school we practice breathing techniques to help us calm. Here is the hand breathing to help with this at home

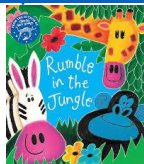

Physical Development

- * Can you move like your favourite Jungle Animal? Why not use the prompt cards provided and see if you can move like this too!

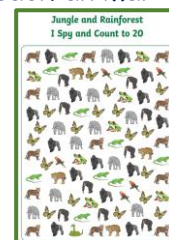

Language Development

- *One of our favourite Jungle Animal stories is "Rumble in the Jungle". You can listen to this story on YouTube <https://youtu.be/mdL7xjfETyo?si=z-qdfqnFz0esfDaj>

Mathematical Experiences

- *Practice counting to 20 by spotting some Jungle and Rainforest animals and counting how many of each animal is in the picture.

The Arts

- *Sing along to some Jungle songs on YouTube like our favourite "Down in the Jungle" [Down in the Jungle! Nursery Rhyme for babies and toddlers from Sing and Learn! \(youtube.com\)](https://www.youtube.com/watch?v=...)

The World Around Us

- * Visit the website www.sheppardsoftware.com/preschool/animals/jungle/game to play a Jungle Animal matching game [Animal Jungle Game - Preschool & Kindergarten Games \(sheppardsoftware.com\)](http://www.sheppardsoftware.com/games)
