

Outdoor Number Activities

*Warm up counting games E.g. *Can you do 5 star jumps? Can you jog on the spot and count to 10?*

*Here are some outdoor number ideas you could try at home:

*Make your own number skittles with plastic bottles and play a game of bowling. *What numbers did you knock over?*

*Play Hopscotch

*Draw some chalk numbers on the ground. Ask your child to make them disappear with water and a brush/sponge.

*Go on an outdoor number hunt. *How many numbers can you find?*

Outdoor Shape Activities

*Talk about the basic shapes with your child-
circle, square, rectangle, triangle, star, heart

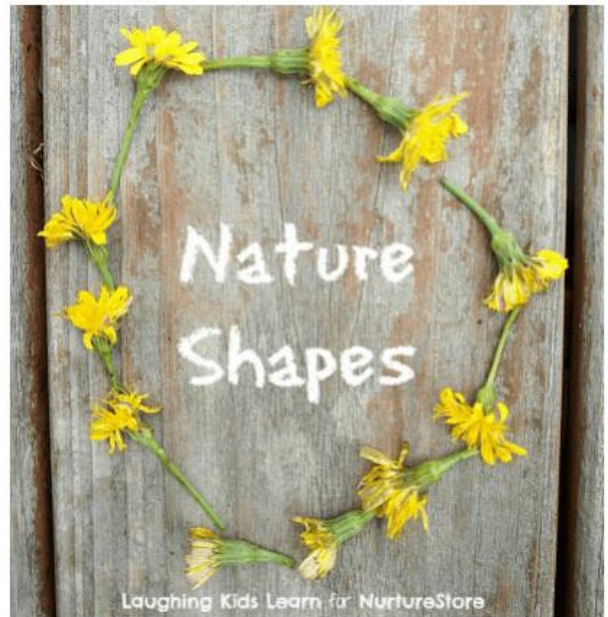

*Here are some outdoor ideas you could try at home:

*Draw some chalk shapes on the ground. Ask your child can they make them disappear with a paintbrush/sponge and water.

*Draw some shapes on the ground. Ask your child to jump in a circle, sit in a square, hop in the triangle etc

*Make shapes in the garden

*Go on a shape hunt
