## **1. Introduction**

We hope that issues can be addressed by talking to the relevant staff. Open communication and regular engagement between the school, parents/carers and other stakeholders is vital to nurturing positive relationships within the whole school community.

### **1.1. School Information**

The Grove Nursery School is situated in a well developed area on the outskirts of Armagh City. The enrolment is 52 pre-school children who attend 'full time' sessions.

The school is staffed by the principal, teacher, 2 full time nursery assistants, a catering assistant, a secretary and a building supervisor. There is often an additional classroom assistant/s to support SEN children and children whose second language is English. An active and well informed Board of Governors and an involved group of parents support the staff.

The school was purpose built in 1977 during the expansion in Nursery Education in Northern Ireland, and has been added to and modified since then, in order to meet the current day standards and changes in and adaptations to classroom practice. We celebrated our 40th anniversary in June 2017. An excellent stock of resources and equipment has been built up for a wide variety of activities covering all six areas of the pre-school curriculum.

Good links have been built up with local high, primary schools and other pre-school settings within the area and with the community in general.

It is the policy of The Grove Nursery School to provide a warm, welcoming, safe and stimulating atmosphere which is enjoyable for children, parents and staff. Opportunities are provided for each child to grow in self-confidence, experience success at his/her own level and develop a good self-image. Each child is encouraged to develop a positive attitude towards his/her play, to learn skills and concepts through active experiences and interests, all the time being encouraged and supported by sensitive adults.

The school is committed to provide high quality pre-school education through the provision of this broad and balanced curriculum designed to meet the needs of each child. We aim to provide a broad and balanced curriculum which will ensure that individual differences are recognised and met, so that all aspects of children's growth and development are promoted.

We aim to:

- Provide a stimulating and happy, yet safe and secure environment.
- Provide activities which will promote the development of - personal, social and emotional skills, physical skills, creative and aesthetic development, language, early mathematical experiences and knowledge and understanding of the world around us for every child.
- Involve parents in their children's education by maintaining vital links between home and school.

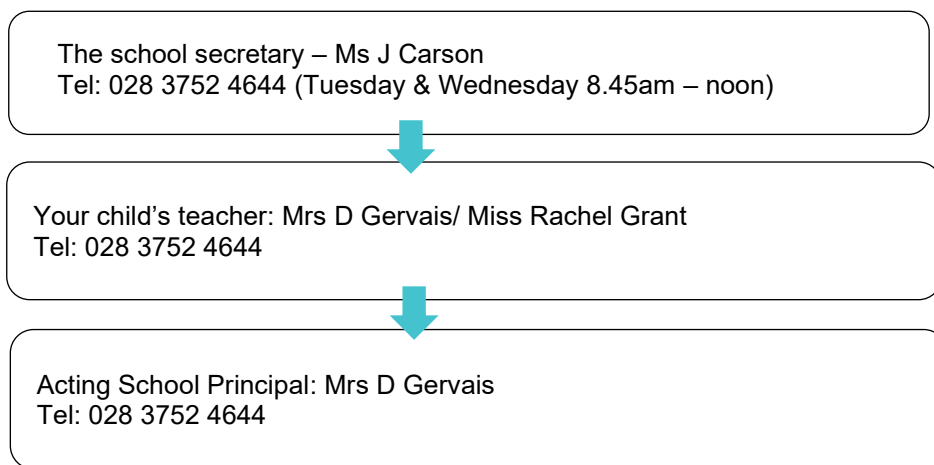

Here at The Grove Nursery School, we take complaints seriously. We have the best interests of all our pupils and their families at the centre of all we do. We value and respect everyone and our staff expect the same in return. We value parents and carer's opinions and welcome all feedback.

We encourage anyone with a worry to speak to us as soon as possible. If issues are dealt with at an early stage, then they are more likely to be resolved leaving no unnecessary dissatisfaction.

We welcome communication with our staff. Parents / carers can do this by contacting staff as outlined below:

**We take all issues seriously and make every effort to resolve matters as quickly as possible.**
