

Fountain Primary School

18 Hawkin Street, Londonderry, BT48 6RD. Tel: 028 71 374909

Dear Parent/Guardian,

In school we occasionally have to administer plasters should your child sustain an injury. Some children may have an allergic response to plasters so for this reason, we ask that all children have permission from a parent/guardian allowing us to apply a plaster if necessary. Without an individual consent form, your child cannot be administered with a plaster.

Please tick the boxes, fill in the details and return the form below:

I am unaware of my child having any allergy to plasters at this time.

I give Fountain Primary School and Nursery Unit permission to administer a plaster to my child if necessary.

Name of Child: _____

Class: _____

Name of Parent/Guardian: _____

Signed: _____
