

Action Cancer Big Bus returns to the EA!

We are delighted to have the new state-of-the-art Action Cancer Big Bus attend Education Authority (EA) locations throughout May 2022.

The BIG BUS provides two services which are **now available to book**:

1. If you are a **woman aged 40-49 or 70+**, you **haven't had a mammogram in the last two years** and you have **no specific breast concerns**, you are eligible to make an appointment for **Breast Screening** on the BIG BUS.

The charity is the only place in Northern Ireland for women outside of the NHS screening age range to avail of a breast screening for free, so this is a great opportunity.

2. **MOT Health Checks** are open to **anyone aged 16+** and are a great way to get a current picture of your health. The check takes about 20 minutes and you will receive a variety of tests, such as blood pressure and cholesterol. You will also stand on the body composition scales to receive a print out of details such as muscle mass, hydration levels, fat around your organs, and BMI.

The Health Promotion Officer carrying out your assessment will be able to provide advice and information about lifestyle improvements which can contribute to cancer prevention.

Call **Action Cancer on 028 9080 3344, Option 5** (Monday – Friday 9.00am – 4.45pm) or visit <https://appointments.actioncancer.org> to make your appointment for either service.

You will need to quote or input the reference code as shown below.

Venue	Date	Booking Reference Code
EA Dundonald Office Grahamsbridge Rd Dundonald Belfast BT16 2HS	Tuesday 17 May 2022	WAF-8057
