## Friday 11<sup>th</sup> February – Wear Green Day

To raise money for the charity (Keep Northern Ireland Tidy) who run Eco-Schools. We are wearing non-uniform and dressing in something green if we can. All donations will be given to the charity, £1 per child. We are working towards becoming an Eco-School and will be trying to be eco-friendly in school, so why not do something at home too!

Some of the ways we can be green include:

- Walk or cycle to school
- Have a waste free lunch
- Turn out the lights for an hour
- Plant something in the garden
- Pick up some litter
- Plan a paper free lesson
