We Believe In Each Other

School Uniform Update

The Board of Governors has met and decided that children will no longer wear shirts and ties as of September 2024. All children will now wear RED polo shirts under their school jumpers.

We have created a handy guide to help you understand more easily what our uniform is. Our main aim behind the change is to make the children more comfortable in their uniform and reduce the cost to parents by having to buy fewer items.

As well as this, over the last few years, we have noticed that uniform standards have started to slip. Wearing a uniform is part of being in the Fountain family and it is part of how we identify ourselves. The hope is that by making the uniform more comfortable for children and cheaper for parents that the uniform standards will improve.

As well as this, from September 2024, children will not be allowed badges or logos of any teams on their clothing of any items brought into school. This would include coats, hats, gloves etc. as well as things like schoolbags and pencil cases.

We would ask that children in Nursery and Foundation Stage wear Velcro shoes. Most shops that sell school shoes now provide a style of shoe which is more like a trainer. We would encourage parents to buy these as they can be used for normal school uniform as well as PE uniform.

The next page will easily outline our uniform for both boys and girls.
