## Joke of the Month

Why didn't the skeleton go  
sky diving? Because he  
didn't have the guts!!

## Activities we did this year

We did art called the dot  
where we started off with  
just a dot and we only had  
the three primary colours to  
create a painting.

## Our Sensory Room

Our sensory room is where you  
can  
relax when you need to take a  
break from class.  
We have toys to relieve our  
stress.

## Chess

We do chess every Tuesday  
with Mrs. O' Halloran,  
who is our SEN teacher.

## Art we did this year

For art we learned about the artist  
Yayoi Kusama. She made artwork  
using dots. We then made our own  
dotty artwork!

## Drama, music and soccer

Every Thursday we do drama  
with  
Tara and music with Maggie  
and every second Friday with do  
soccer with Robert.

## The books we read as a class

So far this year we read a book  
called Mr. Peabody's Apples, One  
Word for Kids and The Day You  
Begin.
