

October Newsletter

By Marziyah and Evelyn

On Friday we
will all dress up
on our last day
before Halloween
break.

It is almost

HALLOWEEN

Maths Week

For maths week we did lots of fun games and learned a lot about other maths topics.

Museum

We went to the museum and we had a tour guide called Jane. She showed us everything and it was fascinating. I enjoyed when she showed us the Petronella Grubb display.

History

We learned a lot about the Stone Age and other history topics. We learned about how they made weapons out of flint and made clothes out of animal skin.

Oliver Twist Show

The senior classroom went to the Oliver Twist show on Tuesday at the White Memorial Theatre. The show went on for 2 hours and everyone enjoyed it.

Sports

For the last few weeks we have been doing sports every Thursday with my brother Seán, who plays some fun badminton games with us. He also taught us how to hold the racket and other details which were very helpful.

Harvest

On Thursday we have to bring in fruits and vegetables because there's a harvest on Friday. For the harvest Evelyn and I will do drama and we will be singing some songs.

More sports

We do soccer with Robert every second Friday and he does tons of fun soccer games and matches with us. He always encourages us and lets us have fun.

Open Day

Today we have an open day at our school. Everyone is welcome to our school. There will be fun activities and decorations around the school building. There will be tea, coffee and treats.

WE ARE
OPEN

Library

The junior room all went to the library to meet author, Kate Sheehy and they read books and got cat ears to wear.

Drama

We do drama with Tara every week on Thursdays. It's very fun because we learn and have fun at the same time. Sadly it's her last week.
