Baking

In the senior room
we made apple and cinnamon
muffins. They were the best!

Art

In the junior room they did
Kadinsky art. They did it with
water colours and twistables. They
look great.

Mock Election

We held a mock election in school. The parties were Purrfect pets, No Homework, Extra Exercise and Short 'n' Sweet. The winners were No Homework and Purrfect Pets.

Science Week

The senior room went to the Presentation secondary school to see a science show. It was all about dragons. We had a great time.

Poetry

1st to 6th class did a creative poetry workshop with a woman called Eileen. She talked about the 5 senses. We are still working on the poem.
