Year 8 Induction Booklet

#2020/21

PRINCIPAL'S WELCOME

Dear Year 8 Pupil

It gives me great pleasure to welcome you to St. Patrick's High School and I am delighted that you have chosen our school for your Post-Primary education. St Patrick's High School, as a Catholic and La Sallian school places great emphasis on our Christian values of inclusion, mutual respect, truth and justice. You belong to a community where we are proud of our school and all it stands for. Here, you will always be treated with respect and your success, no matter how small, will always be celebrated.

All our efforts, our work and our endeavours revolve around the fulfilment of each pupil's potential, academically, socially, spiritually and emotionally. We have the highest expectations for you, and for each pupil in our care. During the next few years you will be encouraged, supported and challenged to fulfil your potential.

We recognise that the transition from primary to post-primary education is a crucial period for both you and for your parents, and we want you to enjoy the many changes that this process brings. However, we also recognise that along with the excitement of these new beginnings, you may feel a little anxious as you adapt to changes in school size, new subjects and how they are taught. In St Patrick's High School, you will find a supportive and caring pastoral system where your learning will be nurtured and developed. Each pupil within the community of St Patrick's is in the care of a Form Teacher who is guided by their Year Head. You will find all staff are committed, caring and professional.

As a Year 8 pupil in our school, you begin an exciting journey into post primary education and we are delighted that you have chosen our school in which to make the journey. As your new Principal, this is a journey that we will begin together.

I wish you happiness and success in St Patrick's High School.

MR C FURPHY - SENIOR TEACHER FOR TRANSITION

Dear Year 8 Student

It gives me great pleasure to welcome you to St. Patrick's High School. I hope that this Student Handbook will prove to be both informative and helpful as you start your educational journey with us.

I feel privileged to be able to help with your transition from primary to secondary school. I am really looking forward to supporting you at such a crucial stage in your school career.

I am pleased to say that everyone here in St. Patrick's High School is on hand to support you every step of the way and to ensure that you settle into High School as smoothly and easily as possible.

In addition to learning in the classroom, I would encourage all Year 8 students to get fully involved in the extensive array of extra-curricular activities that are offered at St Patrick's High School.

The important thing to remind yourself is that you are already familiar with your new surroundings, having taken part in a world class transitional process over the last number of years.

I look forward to seeing you again in September.

MRS A O'CONNOR - HEAD OF YEAR 8

Dear Year 8 Pupil

As Head of Year 8, I am excited and honoured to welcome you, our brand new pupils, to St Patrick's High School. It is my aim to get to know you as quickly as possible.

You are about to embark on a whole new chapter of your life and whilst I know it can be exciting, I appreciate that it can be an anxious time too. I can assure you that the staff are here to support you and together with your Form Teacher, I will be with you every step to ensure your transition is as smooth as possible.

Remember you are already part of our amazing learning community and this is just the next stage so please don't worry!

I hope this booklet will be of great help and reassurance to you and I suggest you take time to read it over the Summer and bring it to school with you on the first day when you will be given the opportunity to go through it with your Form Teacher.

We look forward to your positive, fresh energy in September but in the meantime have fun shopping for your new stationary and uniform. May I take this opportunity to wish you and your family a relaxing and enjoyable Summer!

ON YOUR FIRST DAY AT ST. PATRICK'S, YOU WILL BE GIVEN A FOUR-DIGIT PIN NUMBER TO USE AT THE TILL EVERY DAY.

EXTRA-CURRICULAR OPPORTUNITIES

KEY TASKS FOR PUPILS

Recording homework in homework diary;

Making sure homework is done for the correct day;

Making sure you have everything you need to do the homework;

Remember to take the homework to school on the correct day

TIPS FOR PARENTS

Establish a routine for homework with your child. The best time is after a short break when your child returns from school: get it out of the way early and leave the rest of the evening free;

Agree with your child that TV, playing sport, Youth Club, phone-calls etc., will only be allowed after homework is completed;

Encourage your child to unpack and pack his/her bag in an organised way;

Offer support but don't do it for them.

Sign your child's homework.

Encourage your child to record homework carefully. Pupils don't always remember what 'finish stuff' means!

REMEMBER...

STUDENTS WHO REGULARLY COMPLETE HOMEWORK ARE MORE SUCCESSFUL IN EXAMS; PRESENTATION IS IMPORTANT. ALWAYS DO YOUR HOMEWORK AS CAREFULLY AS YOU CAN; REWARD YOURSELF FOR WORKING HARD.

WHAT OUR CURRENT YEAR 8 PUPILS SAY...

Clodhna Drumm 8/44 said....

I loved Year 8. My favorite memories are the AWOL trip and singing in the 'Carols by Candlelight' concert at Christmas.

Eimear McGeary 8/57 said....

I have so many good memories of Year 8 – from making new friends, to the AWOL trip, camogie, music, netball and the Year 8 Mass. Most of all I enjoyed winning a cross country medal and making it to the Ulster final.

Charlie Lennon 8/57 said....

My favorite thing about Year 8 was representing the school in football and hurling. My favourite memory is definitely the first week when I got to know the teachers and classmates.

Colleen Fox 8/18 said....

At first I was nervous to go to the High School because I was going to be the youngest, but as each day went on I got more confident in my new surroundings and I loved it!

Piaras Casey 8/02 said....

On the first day I felt a mixture of emotions but I wasn't in the school very long before I realised it was a friendly and homely place. I loved meeting teachers and learning new subjects and I loved being able to choose what I ate every day in the Dining Hall!

Robert Moore 8/51 said....

I loved doing experiments in Science and the lunches are really nice! The teachers are really helpful and the pupils are friendly.
