work on projects,  
do your homework,  
read and relax.

# Library Classes

KS3 classes have one class a week in the library with an English teacher and Mrs McArdle.

Mrs McArdle does a book talk at the beginning of each class about some of the brilliant books we have in the library to help you pick new authors and books.

You can pick the book you want to borrow and take home. Books should be brought back the following week. If you are not finished with the book, it can be renewed for another week. If you lose or damage a book, please let Mrs McArdle know.

Once everyone has picked their books, we have 15 minutes silent reading time for you to enjoy your book.
