

Pupil Safeguarding Booklet

Keady

Pupil Safeguarding

This booklet has been completed by the JLT, working with our partner primary schools to make sure all pupils are aware of safeguarding and child protection procedures in the school. We want to make sure all our pupils feel safe, happy and know who to turn to if they have a problem. We hope you find our Child Protection booklet user-friendly and informative.

What is
safeguarding?

To make sure people feel safe, bullying, friendships, protecting children and vulnerable people in school, to provide a safe environment for people...
