Parental Complaints Policy

Purpose/Objective

The parental complaints procedure was revised and agreed by the Irish National Teachers' Organisation and the management bodies of primary schools, the Catholic Primary School Management Association, The Church of Ireland, An Foras Pátrúnachta, The Muslim Primary Education Board, Educate Together and The National Association of Boards of Management in Special Education in 2023. It is designed to provide an open and clearly defined process to facilitate parents/legal guardians in raising concerns about their own child/children in an agreed, fair and transparent manner.

It is recognised that parents/legal guardians are the primary educators in a child's life and as such from time to time concerns may arise which they may need to engage with the school on. It is expected that engagement will be timely, courteous and resolution focused to ensure that the important relationship between the parent and school can be preserved and respected. It is expected that all parties concerned will engage proactively.

Relationship to School Ethos

The school promotes positive home – school contacts and endeavours to enhance the self-esteem of everyone within the school community. The policy contributes towards those ideals.

Aims/Objectives

- To foster fruitful and trusting relationships between school and parents.
- To afford parents an opportunity to express opinions/grievances through the framework of a defined procedure.
- To minimize the opportunity for conflict.
- Through affording parents an opportunity to liaise with the class teacher.

Introduction

Only those complaints about teachers which are written and signed by parents/legal guardian of pupils may be investigated formally by the Board of Management, except where those complaints are deemed by the Board to be:

- Matters of professional competence and which are to be referred to the Department of Education & Science.
- Frivolous or vexatious and which do not impinge on the work of a teacher in school.
- Complaints in which either party has recourse to law or to another existing procedure.

Unwritten complaints not in the above categories may be processed informally as set out in Stage 1 of this procedure.
