26—30 October (inclusive) **School Closure**

MOSSLEY NURSERY SCHOOL OCTOBER NEWS

October's theme is 'Home Sweet Home'
Colour(s) - **Orange, Brown** and **Black**

SLIPPER BAGS

Have you left a change of clothes for your child? He/she will be more comfortable changing into his/her own clothes. Remember a change of clothes includes a vest and pants. We have limited supplies in school and may be required to contact you if a change is not available. If the slipper bag is taken home and not returned there will be a charge. Please ensure that your child has a pair of wellies and waterproof trousers for school use and a coat for outdoor play every day!

HEALTH ISSUES

Thank you all for observing our NUT/ SWEET free zone. Not only are we promoting children's safety but also healthy eating.
Please also remember not to bring food items or medication to any nursery area.

If you need to speak to your child's teacher, please ring for a telephone appointment. Due to Covid restrictions we are limited to who can access the building.

Nursery sessions start **promptly** at 8.45 am, 9.00 am and 12.30 pm. The doors will be opened at this time. Staff will not be available before this due to preparation within the nursery. Please try to remind your child to access the toilet before leaving home. When the children are in and settled for their session it is very important that the doors are locked to ensure their safety. Please do not open the gates. It is the responsibility of the staff to open these. Please be on time to pick up your child they can become anxious if they are the last one left.

Pastoral Care and Child Protection
Designated Teacher for Child Protection - Mrs J Henderson
Deputy Designated Teachers for Child Protection - Mrs L Beattie and Mrs R Moore
Chairperson of the Board of Governors - Lynn Frazer

SUITABLE CLOTHES

Despite information given to parents and contained in our booklet, children are sent to school in clothing with belts and stiff buttons. Tights and dresses are also tricky for young ones. These have in some cases resulted in children having accidents. In Nursery the children use the toilet facilities independently and often wait "until the last minute" especially if they are engrossed in an activity. Shoes with Velcro - **NO SHOELACES**. Do your child a favour and make it easy for them.

SCHOOL MONEY

(Please see messages regarding our new cashless system)

This will be used for School Fund, Extra Events and Dinner Money (Red Class).

School Fund will be £2 per week for 33 weeks and can be paid in instalments of £8.25 per month this will start in October.

WEE CRITTERS

Ranger Allan will visit the nursery on Friday 9 October with a collection of 'wee critters'. See Facebook page for more information. Sessions will be as normal. We ask for £3 from each child to be paid through the cashless system. Unfortunately if you do not want your child to have this experience due to Covid restrictions they would have to remain at home. The visit will be following all Covid guidelines and social distancing rules.

REMINDERS

CAR PARK

This is for staff use only. Please inform all those involved in the care of your child when at nursery of these regulations.

PLEASE DO NOT PARK IN FRONT OF GATES.

Please...no climbing on wall!

AUTOMATIC DOORS

Please do not let your child touch or play near the automatic doors - it is dangerous and also costly to the school to fix.

DUE TO COVID REGULATIONS NO TOYS OR BELONGINGS OTHER THAN COAT ARE TO BE BROUGHT TO NURSERY!

Jewellery, money, comforters and small toys can also easily be misplaced..

Due to Covid restrictions the PARENT INTERVIEWS will be held over the phone this year. Each parent will be given a time slot (Seesaw) with an approximate time the class teacher will call.

Green Class - Tuesday 13 & Wednesday 14 October (am)

Blue Class - Tuesday 13 & Wednesday 14 October (pm)

Red Class - Thursday 15 October
