

SSE 2025 - 26

<p>What is it ?</p>	<p>At St Lassara's our SSE process reflects our commitment to continuous improvement in Teaching and Learning, Wellbeing, Inclusion & Digital Learning. The SSE identifies what we're doing well, pinpoints areas to strengthen & maps out clear actions to help every student thrive.</p>
<p>SSE Focus 2025 - 2026</p>	<p>Our focus for the upcoming year includes: Wellbeing: implementing the Bí Cineálta anti-bullying procedures, Wellbeing through the school. Digital Learning: Using digital technologies for recording and evaluating. Curriculum: Primary Maths Curriculum solving word problems.</p>
<p>What we are doing well</p>	<p>Digital learning: Pupils use appropriate digital technologies and are highly engaged. Wellbeing: Students & staff feel safe and happy at school. Curriculum: maths - positive attitude to maths, understanding concepts & facts, number.</p>
<p>How do we know ?</p>	<p>We gather data in a number of ways: - teachers & staff give ongoing feedback in many ways. - staff surveys, meetings - parents are surveyed during the year - inspectorate reports - subject inspection in 2023 - Meetings between Principal & Deputy - feedback from wellbeing & anti-bullying questionnaire.</p>
<p>This is what we are working on.</p>	<p>Wellbeing: - fully adopt the Bí Cineálta Procedures, update policies & educate the school community. Digital: - Use digital technologies to collect evidence, record progress. Curriculum: - Primary Maths Curriculum - problem solving, playful learning, maths talk</p>
<p>This is what you can do to help</p>	<p>Parents/Guardians - stay engaged with school communication & participate in surveys. Students - share honest feedback & participate in consultations & initiatives. Wider school community - support roll-out of school initiatives.</p>

What next?	<ul style="list-style-type: none">- All stakeholders (students, parents & staff) will be asked to give feedback at various stages in 2025 - 26. This will guide ongoing adjustments.- Policies will be updated as will practices to reflect the progress & needs of our learners.- All targets & actions in SIP will be monitored & evaluated to improve our practice.- Ongoing commitment to best practice will remain at the heart of our improvement efforts.
