Principal: Mr S Mone, BA Hons, PGCE, PQH

Dear Parents,

Toy Day

Pupils will be able to take in a maximum of 2 items from Christmas this Friday 14th January. Children must be responsible for keeping their own items safe and intact. Children will not be able to access the internet or take photographs from any digital items and we do not allow mobile phones in the school at any time. Please ensure that sensible items are taken in, keeping in mind skin allergies from make-up / slime etc. We would encourage non-digital items as much as possible, especially in the P1-4 classes.

Cross Country Training

Cross Country training will take place every Friday for the next couple of months for all P6 & 7 children. Children can wear their PE gear to school and can take in boots or old runners with a warm coat / gloves / hat / change of socks as needed depending on the weather.

Healthy Breaks and Lunches

Please ensure that healthy items only are sent to school for break and lunch times in line with the school's healthy eating policy. Children are allowed a treat on a Friday. Please refer to the guidance on the school website for more information.

Safer Schools NI App

We are launching the Safer Schools NI App within the school community this week. We ask that all parents download the app to their smart device. More information / download instructions available on the school website.

Family Support Hub

The Southern Area Family Support Hub leaflet is now available on the school website and has been pinged out via the school app. Please read carefully. We can support parents with making referrals to the hub at any time.

Yours sincerely,

S Mone

Principal
