School PE Jersey

A new online link will be put on the school website for you to order PE jerseys should you require them. We will notify you when this link is available. We will distribute jerseys in September when the order arrives.

Pencil Case Items

We will be asking all children to have a fully stocked pencil case in September - 2 HB pencils (we will provide thick pencils for younger children) – rubber – sharpener – colouring pencils / crayons (twistables are great for younger children and require less sharpening) – glue stick (P4-7 only) – ruler – whiteboard pens – highlighter – blue / black / red ballpoint pens (P7 only) – individual hand sanitiser / tissues.

Thank You

On behalf of the whole school staff, I would like to take this opportunity to thank you all for your wonderful support throughout the school year. A special word of thanks to Fr Heagney and our school Governors for their continued support. I would like to thank our fantastic staff and children for their continued dedication and commitment.

A special thanks to all parents who have supported our school improvement projects over the last couple of years (Sensory Room / outdoor learning area / eco-garden / school hub / car park shed / fundraising projects / grant applications). Your dedication and support has allowed us to grow and enhance the provision and for our children.

I wish you all a very safe and happy summer and look forward to seeing you all back in September for another busy year!

S Mone
