- **English Homework Book:** Written work for Monday and Tuesday will be found here. The girls will usually have the page folded, so that they know where the page is. This will be explained every day. There is no need to do written homework on Wednesdays and Thursdays.
- **Spellings:** This is to be completed every night. They will get spellings for the week. These are found in the small notebook. The girls will have a Look, say, cover, write, check sheet where they will write them out once every night for practice.
- **Tables Addition:** This is to be completed every night. These are found in the small notebook. The girls will work on them for a fortnight. They will learn one half of the tables one week and then the other half the following week.
- **Guided Reading Homework:** This is to be completed every night. It will be found in a small zip folder. They will have the same book for the whole week. The idea behind this is that practice and repetition will improve fluency and also help the girls to sound like they are talking to a friend. If they can read aloud to you every day, that would be brilliant.

- **Active Homework:** To be completed on Wednesdays. Chart on double-sided sheet in a poly pocket: Complete the exercise and colour the correct box each week.
- **Oral language Homework:** To be completed on Thursdays. Chart on double-sided sheet in a poly pocket.
- **High Frequency/Tricky words sheet:** This is to be completed every night. Laminated sheet with high frequency word lists on it. This stays in her folder every day. Please practice these word lists at home ensuring to mix the sequence of each word list so the girls are not solely learning the list by order.

Time to spend on homework each night: **30 minutes**

Note: If it is taking much longer, or if a task is too difficult, please stop and write a note to your daughter's teacher outlining which part of the homework was causing the issue

Please check your daughter's homework each night.
