

# AFTER/BEFORE SCHOOL & SPORTS

Our Afterschool care takes place when classes finish and runs until 6:30pm

Your child can unwind in a relaxed, safe and fun, home from home environment which is part of the school community. Our afterschool care plays an important role in the social and emotional development of children and is not intended to be an extension of the school day.

## Commitments to Parents & Children in Lyons Den

# Why Kids Inc

At Kids Inc we strive to provide a caring, enriching, nurturing and safe environment where each child will learn and grow to their full potential.

We regularly review our policies and procedures to ensure adherence to best practice in the early years and afterschool care in Ireland

We prioritise building a strong partnership with parents and guardians as a means of promoting the best interests of the children in our care. In Kids Inc we respect children as young learners and value diversity in our services

- High quality interactions between children and the practitioners.
- A language-rich environment that encourages play, exploration and collaboration between the practitioners and the children and the children and each other.
- Structure activities, play and hands-on experiences indoors and outdoors.
- Professional practitioners who form connections, observe, empathise, listen and talk to children.
- Partnership with Parents.

Kids Inc have a no screens policy which helps to focus our programs on being creative and active.

We utilise our outdoor spaces as much as possible, our programmes are child led and we have a wide range of creative and physical activities that children can partake in throughout the afternoon.

We have a skilled team of specialised staff who are Garda vetted and undergo comprehensive training to provide a best practice activity programme ensuring that each child's age, abilities and interests are taken into consideration.

**Our Sports Coaches develop activities** aimed at introducing children to **different sports**, learning the basic skills and encouraging their interest in the sport enabling them to have the confidence to join a sports team. We offer homework supervision which is a big plus for parents and children as it allows for a more relaxed end to the day for all. **We provide healthy nutritious meals and snacks devised to follow the Department of Health's Food and Nutritional Guidelines.**

**AT KIDS INC WE STRIVE TO PROVIDE CARING, ENRICHING, NURTURING AND SAFE ENVIRONMENT WHERE EACH CHILD WILL LEARN AND GROW TO THEIR FULL POTENTIAL.**
