Sport Success

Congratulations to our fantastic girls' team, who played superbly at the Cumann na mBunscol 5- a Side. They won three matches and qualified for the quarter-finals, where they were unfortunately beaten by Holy Trinity. Despite the result, the girls can be extremely proud of their hard work and determination throughout the competition.

The team also competed very well in a Netball tournament, showing great skill, spirit and sportsmanship.

We are very proud of them all and look forward to the upcoming competitions in the weeks ahead!

Attendance Focus for February 2026:

In our school we have traditionally had very good attendance which we would like to sustain for the good of all of our children. When a pupil's attendance falls below 85% we are required to inform the Education and Welfare Officer who may conduct a home visit. Parents can provide the reason for an absence easily by clicking the Absence Form button on our school website. This allows you to submit a dated explanation directly to the school.

P7 Achievement and Post-Primary Applications

Well done to all our P7 pupils who achieved excellent scores in their recent SEAG Transfer Test.

Throughout the year, the entire P7 class has shown remarkable perseverance, determination and a strong work ethic. They have risen to challenges, kept going when things felt difficult, and remained focused on doing their very best - qualities that will serve them well in the years ahead, whatever path they choose.

A reminder that the EA Connect portal is now live for Post-Primary Applications. If you require any help with the application process, please contact the school office to make an appointment with Mr Cunningham.
